DECLARATION OF RICK TRAVIS

1. I, Rick Travis, am the Executive Director for Plaintiff CALIFORNIA RIFLE & PISTOL ASSOCIATION, INCORPORATED (hereafter “CRPA”). I make this declaration of my own personal knowledge and, if called as a witness, I could and would testify competently to the truth of the matters set forth herein.

2. CRPA is a non-profit membership and donor-supported organization classified under 501(c)(4) and incorporated under the laws of California with its headquarters in Fullerton, California.

3. Founded in 1875, the CRPA seeks to defend the Second Amendment and advance laws that protect the rights of individual citizens. CRPA works to preserve the constitutional and statutory rights of gun ownership, including the right to self-defense, the right to hunt, and the right to keep and bear arms. CRPA is also dedicated to promoting the shooting sports, providing education, training, and organized competition for adult and junior shooters.

4. CRPA’s members include law enforcement officers, prosecutors, professionals, firearm experts, and members of the public of all law-abiding individuals, including the fundamental right to “bear” or “carry” firearms for the core lawful purpose of self-defense.

5. I am informed and aware that law-abiding CRPA members who reside in Los Angeles County applied for Carry Licenses to carry a firearm for self-defense and were denied.

6. I am informed that law-abiding CRPA members who reside in Los Angeles County wish to obtain a Carry License, but refrain from applying and wasting their time and financial resources given that such application would be futile in light of Los Angeles County Sheriff James McDonnell’s official “good cause” policy.

7. I know members of Plaintiff CRPA desire and intend to exercise their constitutional right to carry a firearm in public for self-defense, but they are precluded from doing so because they are unable to obtain a license to carry a firearm and

California law generally prohibits them from carrying a firearm in any manner openly or concealed, without such a license.

8. But for California’s comprehensive restrictions on the public carriage of firearms and CRPA members’ inability to obtain a carry license, CRPA members residing in Los Angeles County would immediately begin carrying a firearm in public for self-defense, but they refrain from doing so for fear of liabilities for violating one or more of California’s laws that criminalize this conduct.

9. These CRPA members are thus prohibited from carrying a firearm for self-defense without risking criminal prosecution for exercising their constitutional right to bear arms.

I declare under penalty of perjury that the foregoing is true and correct.
